We are the people you see at the conference (and Summer Institute) running back and forth between the CEU Sign-in/Sign-out tables making sure the process runs as smoothly as possible for all involved. We need to make sure that all rules, regulations, policies and procedures are followed so that we don't jeopardize our CE provider status for the Florida Board of Psychology, Florida Office of School Psychology, Florida Board of Clinical Social Work, Marriage & Family Therapy, and Mental Health Counseling, and the National Association of School Psychologists. We are here to help serve our members by providing quality continuing educational opportunities for on-going professional development.

Continuing Education (CE) Coordinator

Responsibilities include:

- Maintaining/Renewing provider status with various boards/organizations
- Maintaining CE records per FAC rules & NASP standards
- Interfacing with Florida Department of Health and CE Broker
- Providing all CE forms & documents to workshop organizers
- Collecting/Summarizing evaluation forms-sharing with exec. board
- Advising FASP members about obligations as a CE provider
- Assisting members with CE concerns, questions and issues

If you have any questions regarding licensure or Nationally Certified School Psychologist (NCSP) renewal, please don't hesitate to contact the committee.
