

Dear FASP Members, the list below indicates legislative bills of interest to FASP that have been filed for consideration in the upcoming 2010 Florida Legislative Session. Bills in the House of Representatives are identified with the prefix HB. Senate bills are identified as SB. In order for a bill to make it to the governor's desk, identical forms must be passed in both the House and Senate. If a companion bill in the other House is filed you will see the bill number listed (as well as other related bills). At this time, our lobbyists are monitoring these bills and will be keeping me (and you) informed of any/all movement. If you have a particular opinion or concern with any of these bills, bills not listed, or any other legislative issues please contact me directly at jalutz74@gmail.com

Thank you in advance for your continued legislative support.
